

# MZ3 – Have You Heard?

## Meet the New MZ-3

- The new belt has all the same functionality as the old belt with the addition of Bluetooth capabilities allowing you to stream to your smartphone and other bluetooth devices
- The MZ-3 is the most versatile belt on the market featuring:
  - Analogue capabilities allow it to communicate with cardio equipment
  - ANT+ (a wireless technology) allows it to communicate with cardio equipment that do not have analogue functionality as well as many heart rate watches
  - Bluetooth enables the MZ-3 to pair with a smartphone and other 3rd party apps to sync user data
  - Built in memory lets users record workouts for uploads later, even without a smartphone
- The MZ-3 will be able to sync with other apps (MapMyRun, Fitness, Strava, Run Keeper, Endomundo and Apple Health). Uploading data to member's MYZONE accounts will be available with the free MYZONE app or at a MYZONE facility
- **IMPORTANT!!** The MyZone app requires Bluetooth 4.0 LE and Android 4.3 or higher. It works with iPhone 5 and Samsung 4 or higher. To date, Blackberry phones do not support the MZ-3.
- You can purchase the belt at a discounted price of \$129.99CDN (retail price \$199.99) [here](#) using the voucher "svus001"

## The New MYZONE® App

- There is a brand new app in the App Store and Google Play Store, called MYZONE. The old MYZONE Lite app should be deleted prior to downloading the new version.
- The new app will display the MYZONE tile from a paired MZ-3 under the menu option "Effort Stream"
- The app will upload stored data to the user's cloud account
  - Members are no longer required to return to the gym to upload stored out-of-club workouts

## FAQ

- **Q:** Will the old belts still work? **A:** Yes. They will continue to work but will no longer be sold online or at SVAC
- **Q:** Does the new app work with the old belt? **A:** Yes, but it will not be able to utilize the effort stream feature, as it does not have Bluetooth connectivity - you will still need to upload at SVAC
- **Q:** Can I purchase the MZ-3 at SVAC? **A:** We will not be carrying MZ-3 belts due to US dollar volatility. If you would like to upgrade or purchase your very first MyZone belt, please use the voucher above to receive your discount online
- **Q:** What can I do with my old belt if I purchase a new MZ-3? **A:** If you do not wish to keep it or give it away, please feel free to post it "for sale" on our community board at SVAC
